HUMAN HEDGEHOG BONFIRE HORROR

ANIMAL TRAGIC: Neil has 40% burns

A MAN dressed as a giant hedgehog was severely injured after falling asleep in an unlit bonfire.

Neil Gregson, 55, is a committed member of the Furry community – a group that identify as animals and like to dress as them.

His sister, Jane, 49, says Neil had spent £6,000 on his hedgehog outfit and it was his pride and joy.

She said: "Our Neil is a right one for his hedgehog outfit. You can't get him out of it.

"He lives with me and my husband in Wigan after his wife kicked him out and I'd say to him, 'You'll be looking like a hedgehog if you don't take that outfit off.'

Coma

"He'd just laugh and say, 'I wish.'

"It's not a sexual thing. He really feels he was born in the wrong species and identifies as a hedgehog.

"He sniffles around in the garden at night.

"That's why he was in the bonfire. He was just being a hedgehog doing hedgehog things.

"I can't believe the people who started it off didn't check for men pretending to be hedgehogs in the wood before they set it on fire.

"Now he's in hospital in a medically induced coma with 40 per cent burns.

"The doctors say he'll survive but he's never going to be the same again."

EMMA WATSON DILDO HELL

By WENDY THOMAS
news@sundaysport.co.uk

HARRY Potter starlet Emma Watson has won support – AND crude comments – for her declaration of "self-partnership".

The soon-to-be 30 actress caused a stir last week when she said she is in a relationship with HERSELF rather than anyone else.

Social media predictably went mad, with some commentators claiming she was talking about a love of masturbation. With a DILDO!

Twitter user @Shelly bobs said: "Yay Emma's got a pet rabbit."

Fingers

Glenn Conroy noted: "She can call it what she wants, still goes home and gets the Vaseline out and a long chair leg!"

Sam Evans was even more crude, adding: "So she fingers herself and tells herself 'well done Emma' after it."

But @DavetheDolphin said: "Emma Watson's proclamation about self-partnership is nothing new but something I vigorously and enthusiastically applaud.

"But how times change. In my day, it was just called wanking."

Perv's strip Mac 'n' flies in loo

A FAST-food fan was caught on CCTV sprinting through a McDonald's restaurant with no trousers or undies on.

The unknown man ditched his lower body clothing in the diner's toilets.

In footage, the customer can be seen leaving the eatery while clutching his genitals and without his jeans and underwear – which were later found abandoned in a toilet cubicle.

Video was taken in a McDonald's branch in Maidstone, Kent.

A McDonald's spokeswoman said: "We are aware of this incident and are currently investigating."

HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN

MONDAY

LABOUR MP Sir Lindsay Hoyle becomes the new Speaker of the House of Commons.

He's a famous animal lover who owns an African grey parrot – but insiders say he won't be bringing the creature to work with him.

Apparently the Commons has room for only one exotic but deeply irritating bird who has been trained to endlessly repeat the same three phrases – and Diane Abbott ain't going anywhere.

TUESDAY

BONFIRE Night! But never mind the Gunpowder Plot, as news breaks of the so-called Allotment Plot.

It's claimed that the Labour leader Jeremy Corbyn used his allotment shed for secret meetings with his most trusted MPs – where they discussed a hush-hush Brexit strategy.

An allotment sounds like the perfect venue for that kind of thing. Who's going to notice a few more vegetables, up to their necks in shit?

WEDNESDAY

THE fast food giant McDonald's sacks its big boss – Steve Easterbrook – after he has a sexual relationship with one of his colleagues.

It turns out that the firm has strict rules about that sort of thing. The only employee who should be wandering around with swollen lips and a big smile is Ronald.

All other staff have been sent a reminder: if you're tempted to slip a bit of extra gherkin between some buns, STOP and just have a shake instead.

THURSDAY

MORE political news, as THREE Labour MPs quit the party – two of whom urge voters to back Boris Johnson instead of Jeremy Corbyn.

Blimey! We've not seen that many Labour MPs urging us to vote for a Tory since Tony Blair was in charge.

One of those to stand down was the former lard-arse Tom Watson (*above*), who famously shed 12 stones of unwanted blubber.

And now, it seems, the Labour party has done the same.

FRIDAY

THE budget airline Ryanair grounds three of its Boeing 737 plans after hairline fractures are found in their wings.

So I guess the Irish don't ALWAYS love the crack?

SATURDAY

ACTRESS Emma Watson raises a smile – and a few other things – when she insists she's not "single" but "self-partnered".

She's not been in a *Harry Potter* movie for years – but it sounds like she still knows how to handle a wand.

Jizzius Erupticas!

That's chest awesome, Gabby!

STUNNING *Love Island* babe Gabby Allen appears to have forgotten to wear a bra – because her left nipple is clearly visible through her sheer black top.

The 27-year-old blonde was pictured at a make up launch in London and under her leather jacket she was wearing just a skimpy lace top.

And her full tit was clearly visible through the material.

A fan said: "She was wearing leather pants too. I'd love to sniff 'em afterwards!"

'Snowflake' head bans 'rough' tag

A HEAD teacher has been branded 'Britain's biggest snowflake' for banning children from playing 'rough' contact games like tag.

Joanne Smith told pupils at Rudyard Kipling Primary School in Brighton, East Sussex, they had to play with 'gentle hands' – banning traditional games like 'it' or 'British Bulldog'.

Instead, children are being encouraged to hold hands or clap with each other while in the playground.

Parents of children at the school reacted with fury when they were told about the 'gentle hands' policy.

Some are calling for the bizarre rule to be axed because it has left the kids feeling bored at playtime.

Mrs Smith wrote: "To clarify, 'Gentle Hands' does not mean 'no touching'.

"The children are of course allowed to hold hands or play clapping games with a friend should they wish to.

"'Gentle Hands' simply means playing games outside that do not need to be physical.

"This will ensure the playground is a happy, safe and calm place where everyone can enjoy their lunchtime running around and getting the exercise we know is important to them."

One irate parent said: "Bollocks!"

SHOCK

KINKY C… PAYS 30-… HOOKER ON HIM

A ONE-TIME *Coronation Street* actor shelled out a cool £150 to lie on his back NAKED while a 30-stone gutbucket emptied her BOWELS onto his face!

That's the astonishing claim made by blubbergut hooker Janie Prince, who has written a book about her extraordinary life as a plus-size nudie model, fatty hooker and even neo-nazi poster girl.

Janie, originally from the US state of Oregon, said she had a host of A-list clients – most of whom she cannot name for legal reasons.

But one satisfied customer she CAN name is Probert Henderson, who funded a lifelong obsession for poo-lust by bit-part acting and odd jobs.

Janie, 49, recalled: "I arrived in the UK as a twentysomething back in the 1990s – keen to find out more about Britain and earn a little money to take back to the States.

By SIMON DEAN
simon@sundaysport.co.uk

Flab

"I was a big girl, even back then, and soon found that men would pay handsomely to have sex with the folds of my flab.

"But then I got into the scat sex business. It was when I met a German guy in Manchester and he said there would be men who would love to be shat on by an ass as big as mine.

"I thought he was shitting me – if you'll pardon the pun – but it turned out he was right.

"It took a bit of work to figure out how to squat safely – well, I didn't want to topple over and squash anyone.

"Then Probert came along. He just worshipped my asshole – and what came out of it!

"Most bit-part actors take roles as extras in the hope of getting spotted and hitting the big time.

"Not Probert, though. He just did extras work to fund his scat habit. Every spare penny he earned he spent on women shitting on his face.

"He came from a well-to-do family but they'd cut him off because he had spent so much money on his shit fetish.

"That guy was an out-and-out pervert, to be honest.

"I couldn't believe it when he told me he'd got a role on *Coronation Street* which is, like, your biggest soap here in the UK.

"And then I saw him on TV, in the Rovers Return!

"I just hope to God he had a shower before going on set… PHEW!"

After just a few appearances on *Corrie*, though, the work dried up and Probert couldn't even get a part on some of the least popular programmes, such as *Doctors*.

Three years ago, the tragic actor died of a streptococcal infection picked up during his filthy antics.

Janie said: "That's a shame because, apart from all the shit, he was quite a nice guy."

After quitting the shitting game Janie moved to Germany where she became involved in far-right politics.

Porn

She told *Sunday Sport*: "Being from Oregon, I was already a member of several neo-nazi parties in the States.

"So when I got to Germany I did a bit of modelling for white supremacist porn mags."

However, Janie has since renounced her extremist views and now lives in Biddulph, Staffs, where she helps run community workshops and does a bit of nude modelling on the side.

She added: "I regret the white power stuff – that was totally out of order. But I don't regret shitting on a single client – not one."

Wife almost dies over her man's spunk

A WOMAN almost died after having sex when she suffered an allergic reaction to her hubby's SPUNK!

According to the case report, published in the Journal of Medicine, shortly after sex the 46-year-old wife began complaining of dizziness, diarrhoea and itchiness on her hands and feet.

She was taken to hospital where it was determined she was exposed to penicillin through semen.

The case report said: "Her husband had been undergoing treatment for infective endocarditis at home with parenteral nafcillin. She reported a penicillin allergy, having developed urticarial as a child after exposure to the antibiotic. She had not been exposed to penicillin since then."

The woman was given antibiotics, discharged with an epinephrine pen, and "instructed to abstain from sexual intercourse with her husband until at least one week after he'd finished his course of antibiotics – to avoid a recurrence of her symptoms after coitus."

Vultures noshed dead actor's cock and balls

VULTURES pecked off a Hollywood actor's cock and balls as he lay helpless after falling from a remote mountain into a ravine.

A police report reveals *Seinfeld* actor Charles Levin's body was discovered naked without "external genitalia present" and partially consumed by vultures at the bottom of a slope.

The 70-year-old comedian *(below)*, who went missing in late June, was reportedly dead for days when his remains were discovered in a remote part of Oregon on July 13.

The badly decomposed body was found 30 feet down a steep slope, leading authorities to believe he fell while trying to get help.

The report also noted that Levin's head was still attached to his body but there was "significant decay around the mouth", exposing his jaw.

"Signs of animal scavenging" led police to believe vultures had eaten some of his body.

The coroner declared the actor's death "accidental".

Kay: I'll punch your f**king lights out!

KAY BURLEY has revealed how she once threatened to 'punch the fking lights out' of a sex pest colleague.**

The 58-year-old Sky News presenter *(below)* says it happened after the man groped her at a party.

She said: "I remember a guy, a colleague, stroking his finger down my back at a party, and I turned round and said, 'If you do that again, I'll punch your f*ing lights out'."**

Burley revealed the creepy incident on the podcast *Football, Feminism, and Everything In Between*, hosted by Alastair Campbell and his comedian daughter Grace.

When asked how much of a feminist she is out of 10, she said: "I hope that I'm a strong nine and would aim for a 10.

"I have seen women who have accepted blatant misogyny in order to further their career, and I have had blokes hit on me and not called it out when I should have done.

"If they ever touched me, that's when it went too far."

EX-DISNEY star Bella Thorne received a belated birthday gift – a porno gong!

Days after celebrating her 22nd birthday, Thorne took home a Vision Award at the second annual Pornhub Awards in Los Angeles for her directorial debut on X-rated film *Her & Him*.

She wrote on Instagram: "I am so grateful and honoured to receive this award and be recognised for literally just doing what I love… creating beautiful visions of art."

While accepting her award, Thorne *(below left)* said: "I'm so excited to announce I am working with Pornhub to implement a change in their flagging system algorithm to ensure safety for everyone in our community."

The former child star, who shot to fame on the Disney Channel series *Shake It Up*, joined the porn website's Visionaries Directors Series with *Her & Him*, which was shown at Germany's Odenburg Film Festival.

Call to give politicians bum's rush

VOTERS are being encouraged to wipe their ARSES on their ballot papers come December 12 – to register disgust at the major parties' disarray.

The online campaign *#SoilYourPaper* – a play on "spoil your paper" – comes just days after both major parties cocked-up the start of their campaign.

Labour was rocked by deputy leader Tom Watson quitting and former MP Ian Austin encouraging the party faithful to vote for PM Boris Johnson.

Meanwhile the Tories were shaken by the resignation of Welsh Secretary Alun Cairns and a row stirred up after Jacob Rees-Mogg's Grenfell comments.

No-vote activist "Robert Catesby", who started *#SoilYourPaper*. said last night: "The major parties are shit and the best way to let them know that is to wipe your arse on the ballot paper."

A B&Q worker who ran naked through the grounds of a stately home said he took his clothes off after being bitten by a dog.

Bulgarian Tsvetelin Istatkov went for a "100 per cent" naked run through the grounds of Sudbury Hall, Derbys. His genitalia was "completely exposed" when he was spotted in the courtyard of the National Trust property

But on being asked to leave, the 23-year-old turned on a staff member before being detained.

He later told police he had taken his clothes off after being attacked by a "white and brown dog with stripes".

Istatkov pleaded guilty to a charge of exposure, one of assault and two public order offences.

South Derbyshire Magistrates handed him 24 weeks' jail, suspended two years.

But Laura is not the only stunna up for election.

BOOZER'S BOMB PLOT TO PINCH GIN

By BRAD CHADWICK
news@sundaysport.co.uk

A SHOPLIFTING grandad has been jailed after sparking a bomb scare in a city centre shop.

James McDonnell left a device among bottles of pink gin to try to distract security staff from the fact he was stealing spirits.

His not very cunning plan involved leaving an old mobile phone with a charging lead in a portable charging pack on the shelf at Tesco in case he was caught stealing whisky and gin.

When asked if he had paid for the seven or eight bottles he had slipped into his bag, McDonnell told a security officer: "There's a bomb in your shop."

The store, on Newcastle's Clayton Street, had to be evacuated for 45 minutes, Newcastle Crown Court heard.

But McDonnell's scheme was easily thwarted as staff simply put him in a holding area while they went to investigate the planted device – which they immediately saw was nothing sinister.

ALCOHOLIC: McDonnell

McDonnell, who has 41 previous convictions, including 17 for theft and dishonesty, denied putting the device on the shelf when interviewed by police.

Brian Hegarty, defending, said: "His motive for committing this offence is a need for alcohol, rather than a wish.

"He has been an alcoholic for many years and this was committed to enable him to drink more.

"It appears he hatched this plan in order to be able to consume yet more alcohol.

Explode

"The device was little more than an old mobile phone attached to a portable charger with a charging wire."

McDonnell pleaded not guilty to placing an article with the intention of inducing a belief the article would explode or ignite.

But he was found guilty after a trial.

He previously pleaded guilty to theft of the alcohol.

The 54-year-old, of Gateshead, was jailed for 15 months for the bomb hoax and theft of spirits worth £161.50.

THE VOICE OF YOUR BRITAIN

We can't give cocks the chop!

ACCORDING to a report in this week's paper, boffins reckon that in a few short decades, men will not have penises.

The rise of the so-called "trans" community, the surge in men who "do not identify" as any particular gender and the increasing soppiness of the western male are being blamed for this development.

Should this worry us, or should we just accept that this is just humanity turning another page in its long history?

Well, make no mistake, we SHOULD be worried.

The idea that men's cocks will disappear in just a generation points to an astonishing increase in the speed of so-called "evolution".

While this newspaper does not fully accept Charles Darwin's sacrilegious claims that divine-ordered man is descended from monkeys, we can see that humanity has developed over the ages.

But the loss of man's cocks would be a change too far.

Action must be taken as swiftly as humanly possible to force modern men to stop moisturising, mincing, prancing and preening.

The cost of not acting is the end of the cock itself.

President in death call for net trolls

THE madcap President of Chechnya has the ideal way to deal with internet trolls – by KILLING THEM!

Ramzan Kadyrov has proposed killing web users who "insult another's honour" while online.

He recommended "breaking all the world's laws" in pursuit of eradicating offensive internet comments while speaking at a Chechen administration session on business.

Kadyrov (*above*) said: "If we don't stop – by killing, jailing, scaring – those who violate unity among the people by spreading rumours and discord, nothing will happen."

He described trolls as: "Crooks, traitors, tattletales and schizophrenics of all stripes – we must stop them."

He added: "I'll accept any punishment in this world. Let me be jailed or killed, so I'll die. I'm 45, what else am I to do in this world?"

Kadyrov previously promised violence for anyone who leaves offensive comments about Chechens online.

Path dog poo ringer told to cut the crap

A DOG shit vigilante who spray-painted rings around dog mess on a coastal path has been told to stop doing it.

About 15 piles of poo on the Washford path, near Watchet, Somerset, were circled in white paint last month.

Steam Coast Trail, which owns the land, has warned the person on its Facebook page to "cease and desist" as they "do not have permission to do this".

Sarah Ellwood, from the charity, said: "It's permanent paint and looks really unsightly."

The half-mile path, which runs between Old Cleeve and Washford, opened a year ago.

Since then, the charity has had to post several messages on Facebook asking owners to pick up after their pets and not to chuck dog mess bags onto the railway.

HIPSTER BEARD OIL GURU SHAGGED HIS DOG

SLICK SICKO: Vile Hill touted oil and had it off with his pug

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK

A HIPSTER who travelled the world advising people on different brands of beard oil ended up in court after shagging his pet PUG!

Vile Nicholase Hill filmed himself scuttling the snub-nosed mutt, then sent the footage to a female friend asking if she'd like to join in.

Hill, 28, who once hosted a beard oil seminar at the Manchester Central Convention Complex exhibition centre, has dodged jail for his sick antics but will have to undergo hours of counselling to try to prevent a repeat of his sick act.

Police say Hill had sex with the dog multiple times, and on at least one occasion recorded the act and sent the video to a woman via Facebook Messenger.

PETTED: Pug, like one Hill had sex with, and *(below)* the Manchester Centre he attended

Complaint

He was arrested in late August about a week after cops received a complaint from an individual alleging that Hill had been having sex with his dog, according to an affidavit.

Investigators were able to obtain the video that Hill allegedly sent to a woman in February of him shagging the dog.

Police interviewed the woman, who said that Hill "wanted her to get involved" in a threesome with himself and the pooch, it's claimed. The woman refused.

Hill initially pleaded not guilty to the animal cruelty charge but later admitted the foul deed.

He will pay a £200 fine but won't serve any time for the crime if he undergoes a mental health evaluation and counseling, as outlined in a court deal.

He will also be expected to complete 60 hours of community service and, crucially, have no contact with dogs.

Fanny docs warn: don't put hot wax on vaginas!

DOCTORS have warned women against putting hot wax on their pussy during foreplay.

The warning comes as increasing numbers of couples experiment with "temperature play" – described as creating cool or warming sensations on your intimate areas.

And for some, this involves pouring candle wax onto the vagina.

But health experts don't think doing this is the best idea.

Dr Shree Datta, Consultant Gynaecologist at MyHealthcare Clinic, said: "While many women wax their bikini line, I would recommend avoiding the use of hot wax during sex anywhere near the sensitive skin of your vulva – or internally.

"Any temperature play with wax can risk burning the skin, tissue damage, rashes, ulcers and blisters, as well as possible infection."

If that wasn't enough to dissuade ladies from using hot wax "down there", the risk of developing a yeast infection might.

As many modern candles are scented, they can disrupt the natural pH of a lady's cock slot.

And the 32DD beauty reckons she might boycott all television until after the festive season.

She said: "I can't switch on the bloody telly without hearing some celebrity whispering things about perfumes.

"For God's sake, it's still November. And while I am at it, who's buying perfumes just because bloody Scarlett Johansson's in the advert?!

"Smell it... and if you like it, buy it. End of!"

BRITAIN'S BOOZE SHAME

WATER WIMP: Soppy millennials choose to steer clear of alcohol

GOOD OLD DAYS: Necking a few was fun... cheers!

Snowflakes send us crashing down world supping league

SHANDY sipping snowflakes have sent Britain TUMBLING down the international boozers' league – with the Germans and even the FRENCH getting more down their throats.

International figures put us a pathetic NINETEENTH in the league table – only scarcely above the YANKS, who are famously sniffy about booze.

It's believed that soppy millennials – many of whom cannot even decide if they are boys or girls – are steering clear of booze in case it makes them put on a few ounces.

Sex

Experts also say that in the era of anti-sex #MeToo, snowflakes are worried that booze may lead to them having sex with each other and getting called horrid names on Twitter.

Dr Johnson Harvard, head of cultural studies at the Institute of Development, said: "There was a time that, with our proud Anglo-Saxon and Viking genetic mix, Brits were huge drinkers.

"Of course, these days, that genetic heritage cannot be spoken of, as it's probably racist or something, and the whole culture is different.

"Rather than supping 15 pints and fingering a bird behind a kebab shop, modern man wants to go and sit in a yurt talking about his emotions to a reiki practitioner in Shoreditch.

"My heart weeps. The Krauts and the Frogs must be laughing their cocks off."

The figures are shown in the report 'Health at a Glance 2019', published by the Organisation for Economic Co-operation and Development.

Its report – based on alcohol sales for 2017 – compared how many litres of pure alcohol are drunk by people in 44 countries around the world.

It revealed that Lithuania is the heaviest drinking nation, followed by Austria, France, the Czech Republic, Luxembourg and Ireland.

Turkey, Israel, India, Costa Rica, Mexico and Colombia are at the bottom of the boozing table.

Lower than the UK were the most populated countries in the world – China, India, the US, Brazil and Indonesia.

Sound of orchestral vibrators in the dark

A SUSPICIOUS object that caused a scare during a posh concert turned out to be a VIBRATOR.

A 'vibrating' suitcase gave coat check staff a fright at the concert hall, but police quickly defused the situation when it was found to be just a sex toy.

An explosives expert was sent to inspect it using X-ray equipment – only to find that a switched-on vibrator was to blame for the "suspicious movement".

The suitcase was returned to the owner and his companion and officers "wished them a pleasant evening".

The incident did not disturb the audience listening to the Vienna Symphony Orchestra and the performance at the Austrian capital's Wiener Konzerthaus continued uninterrupted.

WEBCAM SEX WORKER MAKES JUST 39p IN TWO YEARS

SKINT AS OLD ARSEHOLES: Larry turned to online work

SKINT Larry Barker thought becoming an online porn star would solve all his money troubles.

But instead of making his fortune the unemployed railway model shop worker has made just 39 pence in TWO years.

Larry, 56, was left in financial ruin when he lost his dream job at Rail Wahey! model shop in south London following an incident with a Vietnamese pot-bellied pig.

He struggled to find employment afterwards and soon ran through his savings.

So when he read about sex workers making cash online by performing on webcams on the internet he thought he'd give it a go.

SUNDAY SPORT EXCLUSIVE
By GARY DORAN

Y-fronts

He said: "With the last of my cash I bought a fancy camera and some new Y-fronts off the market.

"Then I registered online and waited for the money to role in."

The site lets users broadcast free live sex shows on webcams and punters then send tips to pay for private chat time or for the performer to treat viewers to a sex act.

Larry added: "Every night I'd put on a show – stripping naked and dancing provocatively – but I didn't get a single ruddy viewer.

"I thought I needed to get a bit raunchier so then I started sticking bananas up my bum, but that still did nothing.

"Even wanking off using Baked Beans as lube didn't get a single f**king tip.

"The only time I ever made money was when someone recognised me from my time at the model railway shop and asked for some advice about whether to switch from Z gauge to HO."

But determined Larry will not give in.

Eroticism

He told *Sunday Sport*: "I think there is a market for my kind of eroticism but people are very closed minded.

"The world needs more diversity and that includes me."

Lauren looks fit to bust!

BY Christ, you don't get many of them to the pound!

***TOWIE* stunna Lauren Goodger took to the streets of Essex with her massive knockers hanging out.**

The 33-year-old beauty's skimpy top could barely contain her giant busters as she was snapped out on the razz in swanky Chelmsford.

One fan said: "I spent ages waiting for her boobs to fall out, but she must have glued them in or something because they stayed well put.

'Devil told me to kill' woman knifed victim

A WOMAN who said "the devil told her to kill" has been charged with aggravated assault with a deadly weapon.

The drama began when a cop was flagged down early in the morning by a person who reported seeing a naked, bloodied woman walking down the street.

The officer was able to locate 30-year-old Ciero Bajoie-Johnson, who was acting aggressively and saying "kill me".

Officers later found a victim, who told police he had been sitting in a chair when the suspect "came out of nowhere and stabbed me".

The victim also said Bajoie-Johnson was "saying things like the devil told her to kill all of them," the affidavit says.

Bajoie-Johnson *(right)*, of Killeen, Texas, is being held in the Bell County Jail.

Hookers replaced with sex robots!

BROTHELS are falling victim to the march of technology, as hookers lose jobs to ROBOTS!

Brothel Arsenal 51 has swapped many of its female staff for sex robots as demand for the latter increases among cash-strapped customers.

Clients of the brothel in Lucerne, Switzerland, pick any of the 12 sex dolls on offer, while the human alternative is represented by just a couple of prostitutes.

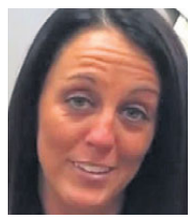
The brothel offers the services at just £70 a session, whereas a female hooker costs £160 and upwards.

Arsenal 51 also says sex dolls "are always up for it, never have a headache, no periods, or bad moods".

They added: "She is always sexy, willing and ready for you and she will do anything you want with her."

Upon request, sex dolls – advertised to be thoroughly cleansed and disinfected after every session – may be delivered to punters' homes for their greater personal comfort.

A spokeswoman for Verein Lisa, which safeguards hookers in the region, added: "Silicone lovers will not completely take over from prostitutes as many punters seek "more than just sex".



School head's sex with boys

A PRETTY school head has pleaded guilty to sex charges involving two teenage students.

Laura Amero (*above*), 35, was accused of having it off with a 16-year-old boy in 2017 and attempting to have sex with another student when he was 16 and 17.

She had been a teacher and principal before becoming superintendent of Windham Exempted Village Schools in February.

Amero was later placed on leave and resigned after being charged.

She did not make a statement when admitting sexual battery and sexual imposition at a court in Ohio last week.

She could face up to 10 years in prison when she is sentenced later this month.

PITY poor Steve Easterbrook who has lost his £12million-a-year job as boss of McDonalds after shagging an employee.

Now British-born Steve will have to struggle by with his £6million payoff and an estimated £30million in shares.

The 27-year-old said: "I was originally from a village just outside Cork.

"And until I left home the only boys I'd seen were my brothers and cousins, and the boys who sang in the choir at my church on a Sunday.

"But when I got to the big bright lights of Dublin it was all different.

Teacher on sex rap 'romped with two more teenage lads'

A PRIVATE tutor out on bail for allegedly soliciting a student for sex was arrested – for sexually assaulting two more teenagers!

Randy Leticia Lowry, 39 (*above*), had been charged with online solicitation in May.

She now faces new charges of 'sexual assault and sexual performance of a child'.

Laura Bond, Assistant District Attorney in Montgomery Co, Texas, said: "Once the child made the disclosure, we were able to corroborate his statements based on other parts of the investigation and we were able to obtain two arrest warrants."

Former schoolteacher Lowry allegedly sexually assaulted a 14-year-old boy after school at her home.

She also instructed the boy to perform sex acts on another teen while at the property.

Trump wants slice of porn star's compo

PRESIDENT Trump is after a bit of porn star Stormy Daniels' settlement with a city council, as his lawyers claim the adult actress owes him hundreds of thousands of dollars.

Attorneys for Trump have notified the court overseeing a £350,000 settlement with Daniels (*above*) of £230k she owes him.

Daniels filed a suit against the city of Columbus, Ohio, after her arrest at a club in July last year.

An undercover officer arrested her on suspicion of inappropriate touching, but the charges were quickly dropped.

Authorities claimed the arrest was part of a prostitution sting operation, but Daniels claimed the arrest was politically motivated after she came forward to claim she'd had sex with Donald Trump and was paid for her silence.

The city reached a settlement with Daniels which Trump's people want some of.

Climate worry slows births

MILLENNIALS have become so worried about the planet that they have stopped having kids.

Rather than visions of raising children, educating and guiding them, Marisa Polowitz's "nightmares" are of having to protect children in a world "devastated by the climate disaster".

The 34-year-old said: "Within the past couple of years, I have started to feel this existential dread about the state of things."

In the US birthrate is currently at its lowest in 32 years, with 2018 being the fourth consecutive year of decline.

Usually births increase at times of economic stability, so the latest numbers have led demographers to wonder what else is on prospective parents' minds.

Dowell Myers from the University of Southern California added: "Not a whole lot of things are going good, and that's haunting young people."

EVOLUTION WILL SPEED UP TO COPE WITH BINARY SHIT, BOFFINS PREDICT

FROTHING leftie climate change transgender activists are right – men will have NO COCKS within 50 years.

That's the verdict of an eminent boffin who says old fashioned genders – such as the outdated terms of "man" and "woman" – will soon be consigned to the literary and medical dustbin.

It comes hard on the heels of news that campaigners want men with willies and five o'clock shadows to be allowed into women's changing rooms in shops – and even women-only prisons.

But retired professor Ed Walcombe, formerly from the University of West Lancashire, says activists are on to something.

He claims everyone will in the near future be "completely non-binary" while candidly admitting: "I actually have no idea what that means."

He explained: "I think it's brilliant that we can get rid of the idea of old rubbish like 'man' or 'woman'.

"The idea of men still having penises in, say, 2058, is fanciful. In an age of transformative divergence to transgender multi-identification non-judgemental self love, why would they need them?

"Everyone knows the penis is the original weapon of mass destruction and its time is surely up.

Phallic

"Fewer cocks are the future. To deny that 100 per cent fact is to adhere to everything Jeremy Corbyn, peace be upon him, is against.

"Sperm will become worthless and anything remotely phallic will be struck from public record.

WILLY WONK: Prof Walcombe's former university

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

"I predict also that men who are now women will evolve into women who want to be man, woman and child, solving any population crisis that might occur.

"All these predictions are perfectly sensible. But they will need the absolute destruction of any conservative ideas."

Prof Walcombe's ideas fly in the face of *Good Morning Britain* host Piers Morgan, who is currently self-identifying as a penguin, much to the rage of men identifying themselves as women, babies, or nothing at all.

But a source close to the telly presenter said: "It's entirely possible he's just taking the piss out of lunatics."

Clit's not just for pleasure!

THE clitoris may play an important part in human reproduction, say boffins.

Stimulating the female sexual organ triggers changes which makes conditions inside the body "optimal for conceiving".

These include increased vaginal blood flow and lubrication, which make sex more enjoyable and help sperm reach the egg.

It may also cause an increase in oxygen and temperature in the female reproductive system, keeping semen healthy on their journey.

Stimulating the clitoris also prompts a change in the position of the cervix – the womb opening where sperm is dumped.

Dr Roy Levin, an expert in female arousal at Sheffield University, said: "The mantra that the sole function of the clitoris is to induce sexual pleasure is now obsolete."

10 things you might not know about McDONALD'S

McDONALD'S fired its chief executive Steve Easterbrook after he shagged an employee.

The US fast food giant said that the relationship was consensual, but randy Easterbrook had "violated company policy" and shown "poor judgement".

The Brit businessman, who earned around £12.3million last year, is due to receive 26 weeks' pay.

Apart from paying its bosses eyewatering amounts, what do we really know about the burger firm?

Here are 10 things you may not know…

1 **BACK in 1940 brothers Richard and Maurice McDonald opened the first McDonald's on the corner of 1398 North E Street and West 14th Street in San Bernardino, California.**

2 THE original mascot of McDonald's was a chef's hat on top of a hamburger which was referred to as "Speedee". In 1962, the Golden Arches replaced Speedee as the firm's universal mascot and the character Ronald McDonald eventually arrived in 1965.

3 **ON April 15, 1955, franchise businessman Ray Kroc opened the ninth McDonald's eatery. He went on to shove the McDonald brothers out of the business.**

4 A NEW McDonald's restaurant is opened every 14.5 hours.

5 **THE firm's fast food restaurants feed 68m people every day.**

6 THE company currently owns all the land each restaurant sits on – valued at around $18bn (£14bn).

7 **THE Top 10 busiest McDonald's eateries are all in Hong Kong.**

8 THE largest McDonald's restaurant is located in Beijing, which is more than 28,000 square feet. The smallest – 492 square feet – is in Tokyo, Japan.

9 **McNUGGETS come in four official shapes: bell, bone, boot, and ball.**

10 THE firm's first drive-through restaurant opened in 1975 in Sierra Vista, Arizona. It was located near a military base, and soldiers were not allowed to leave their cars while wearing fatigues.

***THE Irishman* is an epic American crime film directed and produced by the legendary Martin Scorsese.**

Based on the 2004 book *I Heard You Paint Houses* by Charles Brandt, it stars Robert De Niro, Al Pacino, and Joe Pesci and follows Frank "The Irishman" Sheeran (De Niro), a truck driver who becomes a hitman and gets involved with mobster Russell Bufalino (Pesci) and his crime family.

Flawless

It includes his time working for the powerful Teamster Jimmy Hoffa, played by Pacino.

Naturally, with Hollywood royalty in the cast and on the crew, it's certain to be a smash and some critics have already given it a 100 per cent score, with several describing it as "flawless".

Equally flawless are the busters of leading ladies Anna Paquin and Aleksa Palladino.

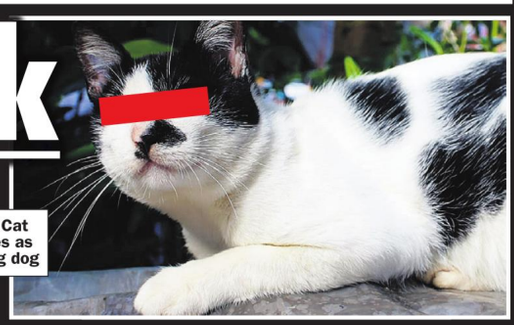
BBC cat that thinks it's a dog gets £7k compo after caretaker fed it MILK



WOOF: Cat identifies as a f**king dog

A BBC cat that "identifies as a dog" has been awarded a cool £7,000 for hurt feelings – after a kind-hearted caretaker gave it a saucer of MILK.

The mog – which cannot be named for legal reasons – was certified as being dog-identifying by the BBC Diversity and Inclusion Compliance Unit back in May.

Beeb staff were sent a memo warning them to avoid "feline-centric" behaviour around the unnamed dog-cat.

But janitor Brian Pierce, 59, failed to get the message.

MISTAKE: Caretaker Brian left milk for cat

Harm

He was seen "putting down a saucer of milk" for the animal, "which made the dog-identifying cat experience feelings of anxiety, exclusion and mental harm".

On the dog-cat's behalf, the BBC Diversity and Inclusion Compliance Unit took BBC bosses to court and won it £7,000 compensation.

However, last night BBC staffers were outraged at the payout.

One, who asked not to be named for fear of being found "diversity non-compliant", raged: "So a cat that thinks it's a dog gets £7k compo after it's given a saucer of milk?

"I can just about get my head around a bloke in a dress wanting to be called a lady, but a cat wanting to be a dog? How the f**k do they know?! This is political correctness on strong drugs, if you ask me.

"But you can't say that these days because it could get you the sack or, even worse, sent on a diversity and inclusion workshop course."

It's believed megabucks BBC presenter Gary Lineker is paying the cat's compo as a goodwill gesture, rather than hard-pressed licence fee-payers picking up the tab.

PICKING UP THE TAB-BY: Gary Lineker

Captive slips kidnapper at M-way shop

A QUICK-thinking woman was rescued from her kidnapper after she passed notes to a petrol station worker, begging for help.

James Jackson, 38 (*above*), picked up the victim – who he knew from work – and offered to drive her home.

But the pair got into a row in the car, causing the woman to run off.

Jackson gave chase and tracked her down to a boat dealership in Bonita Springs, Florida, where he attacked her.

After ripping off the victim's shirt and bra, he dragged her back into his truck and the pair set off to Georgia.

On a motorway, the woman convinced him to pull over at a petrol station for some food.

There she found a pen and paper and wrote two notes, which she slipped to a clerk before a customer who witnessed the scene rang the police.

Jackson was arrested at the scene and taken to the Lee Co Jail on a charge of kidnapping and false imprisonment.

Bomb blast soldier cock-happy again

AN Army veteran whose genitals were BLOWN OFF in a bomb blast has successfully had a penis transplant.

The unnamed US solider was given a real chance at renewed sexual health with a transplanted penis, scrotum, lower abdominal wall and many of the nerves, muscles and blood vessels that serve those organs.

The soldier lost his penis, scrotum, both testicles and most of both legs when he stepped on a roadside bomb in Afghanistan.

Now, 19 months after his penis transplant, the veteran can urinate while standing up on his prosthetic legs and enjoys what his doctors at the Johns Hopkins School of Medicine described as a "strong stream".

He also has normal sensation on both the shaft and the tip of his new penis, "near-normal" erections and can achieve orgasm.

Well, not quite – more Pirates of the Black Country.

Even churches are not safe from the scum

THE English churchyard.

It used to conjure up a scene of loved ones quietly tending graves, the sexton clipping the yew trees, and maybe a spinster pushing her bicycle through the lychgate on her way to freshen up the flowers in the nave.

Not in Britain, in 2019.

Because, like everywhere else in our once-lovely country, the feral scum have taken over.

Walk through a churchyard these days and you're likely to be arse-raped, or robbed, or flashed at, or stabbed – or all four.

A crime is committed in a British church or graveyard every 70 minutes, shocking new figures revealed last week.

In total, the range of crimes being committed on church property includes 2,490 cases of violence, 4,162 of criminal damage and 7,206 thefts, according to figures released by 40 of the 45 UK police forces.

These are CHURCH yards.

Numerous thefts from churches

included silverware items, oil stocks, public address systems and war medals from a veterans' memorial.

Can you think of any form of life so low, they would steal medals from a veterans' memorial in a church?

Yes, of course we can.

We see them every day of the week on every street corner.

Rat-faced youths in tracksuit bottoms and hoodies with the hoods pulled up even in the height of summer – avoiding CCTV is my guess.

The scant wits they were born with have been addled by skunk and rap music.

Unemployable and grunting, their only skills are low level violence and petty theft.

Theft from a church would mean nothing to them.

The worst thing is, nobody is making any effort to take back our country from this tide of scum.

David Cameron's idea of "hug a hoodie" said it all. Hug one? F**k me, I've no desire to get within 100 yards of one.

The police top brass don't want to tackle the problem, preferring to chase after people who pull faces at crossdressers.

Have a pop yourself and if you survive the inevitable stabbing you'll be in the dock while Master Rat-Face will be off on safari.

There is something very, very sick in a country where places of worship are hotbeds of crime.

AS VENUES TUSSLE OVER LEGENDARY COMIC...

Chubby: I'm no worse than these two!

BACK WITH A BANG: Chubby

JUST AS BAD: Kimmy Carr and Sarah Millican

By SIMON DEAN simon@sundaysport.co.uk

COMEDY legend Roy "Chubby" Brown has announced a new headline date – more than two years after being kicked off the bill because of his X-rated material.

In July 2017, Chubby was told he wasn't welcome by Newcastle's City Hall bosses who felt his act was too blue for the venue.

Roy, 74, real name Royston Vasey, has claimed he is "about as racist as the Pope" after being allowed back to the venue.

The good news from Newcastle comes at the same time that council chiefs in Swansea have banned the former *Sunday Sport* columnist from the city's Grand Theatre.

And Chubby has lashed out at the "double standards" which he claims saw HIM blacklisted, but didn't prevent acts he feels are similarly "vulgar" from taking the City Hall stage.

Chubby said: "Comedian Jimmy Carr is 10 times worse than me. But he gets booked, and what do you put that down to – likability? Because he wears a suit?

"And fellow comic Sarah Millican gets away with it because she's a woman. It's all about whether your face fits."

Here we look at just how "bad" the three comics get...

CHUBBY'S NAUGHTIEST JOKES

TWO newlyweds turn up at a hotel and ask for the honeymoon suite. The receptionist asks: "Do you have reservations?" The bride replies: "Yes, I won't take it up the arse!"

MY uncle just got struck off the medical register for having sex with some of his patients. It's a real shame because he's such a f**king good vet.

A WOMAN asked her hubby if he knew how she could make her bust bigger. He said: "Try rubbing toilet paper between your tits – it's worked for your arse!"

BLOKE in the pub asks for a pint of anything except Stella. Barman asks: "What's wrong with Stella?" Bloke says: "I had 12 pints of it last night and when I came round I was fking skint." Barman says: "Most beer costs about the same." The bloke says: "No... Skint's my dog."**

A WOMAN goes to her doctor with a bit of lettuce hanging out of her pussy. The doc says: "That looks nasty." She replies: "That's just the tip of the iceberg!"

A LITTLE girl gets lost in Tesco. The security guard asks her: "What's your mum like?" Little girl replies: "Big cocks and lots of vodka."

A FARMER gets a phone call from his son, saying he's run over a pig and it's stuck under the tractor still alive. "Shoot it," says the farmer, "and then bury it". Later he gets another call: "Done that, what should I do with his speed camera and motorbike?"

A HOMELESS person said: "I haven't had anything to eat for two days." I said, "I wish I had your willpower."

MAN says to his wife: "I had a wet dream about you last night. I dreamt you got run over by a bus, and I pissed myself laughing."

JIMMY CARR

I WORRY about my nan. If she's alone and falls, does she make a noise? I'm joking... she's dead.

NO matter how much you ever give to a homeless person for some tea, you still never get that tea.

I LIVE near a remedial school. There's a sign saying: "Slow – children". It can't be good for their self-esteem but on the positive side, they can't read it.

I SAW a charity appeal in *the Guardian* about little Zuki who has to walk 13 miles a day just to get water. I couldn't help thinking she should move.

PEOPLE with Tourette's – what makes them tick?

I'M not being condescending – I'm too busy thinking about far more important things you wouldn't understand.

SCIENTISTS have discovered that cigarettes can harm children. Fair enough – use an ashtray!

THROWING acid is wrong – in some people's eyes.

I'M not worried about a third world war. That's the third world's problem.

SARAH MILLICAN

MY dad always told me there's three things you need to have in the boot of your car: a blanket, a shovel and a flask. And he's right – because whenever I've killed a man I'm parched.

(On hanging around drunk people) IF I wanted to be with people pissing themselves and talking rubbish, I'd have a kid.

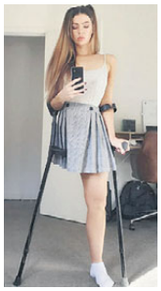
(On euphemisms for periods) IT'S W.I. week – because I'm making jam.

I STOPPED buying women's magazines. The only time I ever see someone who looks like me is under the word "before".

I TURNED 40 last year. One of the things that's changed is I used to sniff my leggings to see if I could get another day out of them. Now I don't. I just assume that I can.

I'VE got a boyfriend at the moment. Sometimes he's there, sometimes he's not. I prefer it when he's not – sex is always a lot quicker.

I MOVED to a posh area. I know it's posh because I said to my husband: "It's chilly in here," and he said, "Shall we turn the floor up?"



'Amputee porn' perverts target one-leg woman

A ONE-legged woman has been bombarded with filth by amputee porn oddballs after she posted pictures on the internet.

Cherie Louise, 27, who lost her leg when she was six, says she's tired of the "clowns" after receiving a barrage of offensive and sexual remarks on a pic of her on crutches posted on Instagram.

The comments, mostly from men, included many saying she could have their "third leg".

Cherie, of Melbourne, Australia, said: "I wasn't upset. More tired – that some think it's a compliment that they would still be interested in me even though I'm disabled."

Comments included men rating her face and chest out of 10 then giving her legs a score of one out of two', while anotgher suggested she should have expected the reaction for posting "something sexy".

Sex pox monkeys can kill tourists!

TOURISTS heading to Florida on holiday should beware – as the state's tourist hotspots are under siege from poo-flinging monkeys that are RIDDLED with VD!

Silver Springs State Park is home to a growing population of around 300 rhesus macaques, which were left behind from a tourist attraction called Colonel Tooey's Jungle Cruise in the 1930s.

And now the sex pox simians are running riot.

A study conducted in 2018 from the Centers for Disease Control found that about 25 per cent of the Silver Spring monkey population carried deadly STD herpes B, which can cause brain damage in humans or even DEATH.

Monkeys spread their vile contagion in SHIT that they hurl at tourists.

TEACHER BLOWS OWN HEAD OFF AFTER LICKING STUDENT'S BUMHOLE

So ashamed she shot herself & hubby DEAD

PISTOL: Emma Ogle

AFFAIR: Teacher and pupil met at Garinger High School

By BRAD CHADWICK news@sundaysport.co.uk

A 63-YEAR-OLD teacher murdered her husband and then blew her own head off after her lesbian BUM TRICKS were exposed!

Emma Ogle was mortified when it emerged she'd fingered a 17-year-old student's MINGE while licking her ANUS – before getting her own bumhole tongued in return.

Grandmother Ogle was arrested over the sensational and explicit claims, which led to her being charged with "crimes against nature".

Things took an even uglier turn last week when her husband Michael Ogle, 59, was found dead.

A relative went to check on him. On arrival, Michael was dead and Emma was holed up inside with a pistol, according to police.

She shot herself soon afterwards.

Ogle, who worked as a career and technical education teacher, reportedly began an 'affair' with the student in the spring, with the relationship allegedly becoming sexual over the summer.

But Ogle's alleged victim reported her to a school staff member, who told cops.

Ogle was arrested and charged with having sex with a student, as well as taking indecent liberties with a student.

The age of consent in North Carolina is 16, but adults in a position of authority can be charged with abusing children in their care aged 18 or under.

Shocked parent Tychovia Whitmire said: "I have been here six years with my kids going in and out of this school. I definitely want it to be safe."

Under North Carolina law, crimes against nature include "inserting, by a male, of his sexual organ into the mouth or anus of another male or a female", "receiving, by a male or a female, of the sexual organ of a male into his or her mouth or anus", fellatio, cunnilingus, analingus (rimming), and "the inserting of an object into a person's genital opening".

By the look of busty Emma King, burgers, fries and fizzy pop is just the diet for a luscious bod!

The 25-year-old, from Hull, said: "My favourite burgers are from Burger King. But I can do a KFC at a push."

TOPLESS GONG BABES DO THE HONOURS!

AWARD: Olivia with Princess Anne

3-PAGE SPECIAL

OLIVIA COLMAN, CBE, 2019 (NAKED IN CONFETTI, 2006)

By SUZIE SHELDON
news@sundaysport.co.uk

ACTRESS Olivia Colman has received her CBE from the Princess Royal at Buckingham Palace.

Colman, who plays the Queen in the new series of *The Crown*, was given the award by Princess Anne, rather than the monarch she played on screen.

The 45-year-old thespian accepted the gong under her real name, Sarah Sinclair, for services to drama.

It caps quite a year for Olivia, who won an Oscar in February for playing Queen Anne in *The Favourite*.

Starkers

And the trip to Buckingham Palace must have seemed a million miles away from her role in the 2006 flick *Confetti* in which the brunette went completely starkers!

But Olivia is not the first actress who has bared all for her art and also received a gong at Buck House.

LOADS OF BABES, TELLY AND CHAT

Stacey's a big fan of Sylvia's softcore!

By WENDY THOMAS
news@sundaysport.co.uk

STACEY Massey is a huge fan of Seventies softcore porn – and she loved recreating the wicker chair photo from the classic flesh flick *Emmanuelle*.

The 34D beauty from Plymouth, said: "Sylvia Kristel was an icon back in the day – she oozed charm and sophistication."

Innocent

Stacey, 24, added: "You didn't need all the see-it-going-in double anal back then.

"They were simpler, more innocent times and people were able to use their imaginations more when watching an erotic movie."

My perfect Sunday...

Scarlet Bouvier, 24, 32E, from Brentwood, Essex

'I LOVE TO SPEND THE DAY IN BED!'

By WENDY THOMAS news@sundaysport.co.uk

SEXY Scarlet told us: "This is going to sound really boring but my perfect Sunday would be just lying in bed, drinking cups of tea, eating chocolate and... well, you know.

"I'm really busy all week and the last thing I want to be doing on my day off is racing all over the place.

"I used to go out with this guy and he could never sit still.

"He always had to be up and out doing something or going somewhere.

"One Sunday, we found ourselves at a traction engine rally near Warrington. It was pouring with rain and all the traction engines had sunk into the mud.

"That was NOT my perfect Sunday so I just dumped his sorry ass."

LEGENDS OF PORN

PART 81 SHAWNA LENEE

STUNNING Shawna Lenee entered the porn industry at 18 while she was still in high school.

By PENNY MARSHALL
news@sundaysport.co.uk

And her first adult scene took place in Palm Springs, California.

Early in her career, Shawna worked under the stage names "Kara Mynor" and "Kara Bare".

Unethical

But she didn't like either of those aliases, chosen for her by her agents at the time, and considered the use of the name "Mynor" to be unethical.

Shawna is her real first name and Lenee is a variation of Lee, which is her actual middle name.

Shawna left the adult film industry in 2010 but returned in 2014 after signing a six-month contract with online grumble giant Brazzers.

During her brief retirement, Shawna attended college to study small business management and started a couple of businesses selling crochet patterns and jewellery.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Coventry, west Midlands...

AMY BROOKES
AGE: 21
FROM: Coventry
OCCUPATION: Receptionist
FAVE DRINK: Amaretto Sour
FAVE FOOD: Italian
FAVE FILM: Hot Fuzz
FAVE ACTOR: Mark Ruffalo
FAVE HOLIDAY: Corfu

KELLY COOMBES
AGE: 21
FROM: Coventry
OCCUPATION: Barmaid
FAVE DRINK: Mojito
FAVE FOOD: Chinese
FAVE FILM: Bridesmaids
FAVE ACTOR: Josh Holloway
FAVE HOLIDAY: Crete

LESBO LOVE

AMY: How far have you gone with another woman?
KELLY: I've snogged a few girls and I enjoyed that but I haven't gone further.
AMY: Would you be up for taking it all the way with another girl?
KELLY: No, I don't mind kissing but I wouldn't do anything more than that. Girls aren't my thing, it's blokes only.
AMY: I've kissed girls as well, but I've never been inclined to take it further. I'd certainly think about it. It would have to be with someone who was very fit.

THREESOMES

KELLY: Have you ever had a threesome?
AMY: I've never been lucky enough to have an offer like that.
KELLY: Would you be up for it if it was with the right people?
AMY: Definitely, it's on my list of things to achieve. I love the idea.
KELLY: I nearly got involved in a threesome with my best mate and her boyfriend. They invited me to join in but I bottled it.
AMY: Do you wish you'd joined in now?
KELLY: Yes, it's something I've regretted ever since. If I got another offer, I'd jump at the chance.

ONE-NIGHT STANDS

AMY: How many one-night stands have you had?
KELLY: I had one about two months ago and that was my first. It was quite good.
AMY: Have you got the urge to have another?
KELLY: I'm not looking for one, but I wouldn't mind. It was quite intense and the sex was good.
AMY: I have them all the time, most weekends actually. I love them.
KELLY: Why are you so keen?
AMY: It's the raw passion of them that I enjoy and no-strings fun is good.

FAVOURITE POSITION

AMY: I like being stood up for sex, especially doing it in the shower. That's my favourite place to have sex.
KELLY: Do you enjoy other positions?
AMY: Yes, but I prefer being in the shower because the sex is always wet and wild.
KELLY: I prefer being on top of a bloke, because it makes me feel powerful and that's a nice feeling.

FIRST-TIME SEX

KELLY: I was 16 and it was with a long-term boyfriend in my bedroom at home.
AMY: Was it good?
KELLY: We were both a bit clueless, so it wasn't the best sex. We were very much in love, so it was a nice experience overall.
AMY: I was 16 when I lost my virginity as well. He was my first true love and we were both very drunk when it happened.
KELLY: Did he have a big willy?
AMY: Yes, he had a massive package and the sex was amazing. I was so impressed that it was so good on my first time.

WORST-EVER SEX

AMY: I slept with a guy I'd been dating and he appeared to know what he was doing.
KELLY: Where did it go wrong?
AMY: About 20 seconds later he came. I was annoyed because I thought he'd only just begun. I dumped him, because I couldn't continue like that.
KELLY: I've never had bad sex. I always try to make it good, so there's never been any major disappointments.

OH-NO MOMENT

AMY: What's the most embarrassing thing to happen to you?
KELLY: My mum went away on holiday and left me with the house to myself. I had my boyfriend round and we were having sex when the cordless phone rang and my mum was on the phone.
AMY: I bet you were breathless. Did she realise what was going on?
KELLY: No, she had a conversation with me while I was still having sex. It was weird.
AMY: I was on top of my boyfriend having sex when he let out a big, loud fart. I thought we were going to take off. It was disgusting and I was embarrassed for him.

BUM FUN

KELLY: Have you had bum sex?
AMY: No, I'm a firm believer that my bum is an out-hole and not an in-hole.
KELLY: Every bloke I've ever been out with wants to have bum sex. I always said no until one day my then boyfriend begged and begged me and I gave in. I'm so glad I did, it turned out to be amazing and I've done it a few more times since.
AMY: Wow, that's really interesting. Maybe it's time for me to give it a try.

WILLY SIZE

AMY: What's the biggest willy you've ever had?
KELLY: That was the second bloke I slept with and it was about seven inches.
AMY: Was the sex better than normal because of its size?
KELLY: Yes, it was great. Big willies are much better than smaller ones. They're much more satisfying.
AMY: My first fella had the biggest willy I've ever seen. I reckon it was a good eight inches, if not bigger.
KELLY: Do you prefer bigger ones?
AMY: I don't mind average sized willies, but only if the bloke is good in bed.

OUTDOOR SEX

AMY: I love shagging outside. It's one of my favourite pastimes.
KELLY: Where have you done it?
AMY: I think it's more a case of where haven't I done it? I'm at it all the time.
KELLY: I've only had sex outside once and it was in a field. It was great because it was something different.
AMY: Would you shag outside again?
KELLY: I'd certainly be up for it. I wouldn't fancy doing it all the time in case it became boring.

SPIT OR SWALLOW?

KELLY: I spit because it's just not nice. I really can't understand why people swallow that stuff.
AMY: I spit it out as well because I can't stomach it. It makes me feel sick. You've got to be careful jizz doesn't get in your hair, because it's a bugger to get out once it's in there.

BONDAGE

KELLY: What kinds of bondage have you tried?
AMY: I've dabbled in it but I haven't done anything too extreme. I love being tied up and tying my bloke up as well.
KELLY: What do you like about it?
AMY: I love the power feeling, it's really kinky. I quite like indulging in some light whipping from time to time as well.
KELLY: I've tried using handcuffs and that was good fun. I haven't done anything more than that.

FAKING IT

KELLY: I can honestly say I've never faked an orgasm, but I know most women do fake them quite a lot.
AMY: What's your secret?
KELLY: I always make sure I'm satisfied to my standards.
AMY: I faked it a couple of times in the past, but only because I got bored and just wanted to get to sleep.

NAUGHTY FANTASIES

AMY: What's your fantasy?
KELLY: Having sex in the changing rooms with Jose Mourinho while his players are doing the stuff on the field.
AMY: What's the attraction with Jose?
KELLY: I think it's the older man thing going on. He's got that Mediterranean look as well, which is a big turn-on.
AMY: My fantasy is having sex with Robbie Williams and David Beckham at the same time. They've got to be the two sexiest blokes on the planet.

RED-HOT FILTH TO WARM YOU UP!

NOW the summer has gone and the cold is here, Television X are heating things up with some BRAND NEW red-hot FILTH.

Their latest movie – *Samgria* – is all about a horny holiday in Barcelona, starring TVX favourites Sam Bourne and Pascal White.

Sam heads abroad to meet a Spanish seniorita, while Pascal – in typical fashion – is out for as much pussy as he can get.

It's a true lads' holiday full of uncensored action with busty brunettes and the best bums Spain has to offer.

These two fellas have been competing to be the best shagger on British TV since they met.

You can also see them getting dirty in the jungle, in *I'm a Pornstar Get Me Out of Here*, playing father and son in *The Great Out Whores*, or showing off their hidden talents in *Pornstars in Their Eyes*.

To watch the best British porn action on telly, just call 0871 271 6869 to subscribe to Television X or simply visit *Televisionx.com*

Calls cost 13p per min plus your phone company's access charge.

TODAY

TOMORROW

Gary Lineker: My Grandad's War – BBC1, 9pm

THE *Match of the Day* presenter retraces the footsteps of his grandfather Stanley Abbs to explore a brutal but often overlooked chapter of the Second World War.

Using the official war diary kept by Stanley's unit as a guide, Gary revisits the places where he was stationed and meets experts who help him piece together what happened to his grandfather during the Italian campaign.

Along the way, Gary meets veterans who share first-hand testimonies to help him understand the reality of combat in Italy.

Any chance we can not mention Brexit, Gary? Any at all?

Ham-ming it up in Madrid...

Travel Man: 48 Hours in Madrid – C4, 8.30pm

RICHARD Ayoade and comedian Ellie Taylor head to the Spanish capital for a two-day break, following an itinerary rich in art, history, histrionics and ham.

The pair go on a guided tour in which they view masterpieces by Bosch, Velasquez, Picasso and Dali, before they attend a ham-carving workshop and sample a five-course tasting menu – of which four courses are pork or ham, including a tartare dish.

Went to Madrid once. Pissed as a parrot, I was.

End game for tennis aces

***Live Tennis: ATP World Tour Finals* – BBC2, 1.50pm**

COVERAGE of the evening session on day one from The O2 in London, where a round-robin match is scheduled to take place.

The season-ending tournament will see the top eight available singles players in the world compete for this prestigious title, which was won last year by rising German star Alexander Zverev *(left)*.

Of course, you may not like tennis – which is more than possible if you don't sit down to piss.

***Harvey Nichols: Britain's Poshest Department Store* – C5, 8pm**

DOCUMENTARY examining how the chain and its flagship store in Knightsbridge came to epitomise the champagne lifestyle of the rich and famous in the 1990s – and how it survived the financial crisis of the late 2000s.

Former colleagues reveal what it was like to be part of such a major moment in fashion history, while retail insiders explain how a company built on luxury and excess managed to weather the storm of the global financial crash.

***Ant & Dec's DNA Journey* – ITV, 9pm**

ANTHONY McPartlin and Declan Donnelly may think they know who they are...

But in this two-part documentary, the popular presenters uncover their surprising and emotional family histories, using a combination of DNA and genealogy.

The shock revelations include military men in both of their families – one a medal-winning war hero, the other a deserter.

And as well as delving into the past, Ant and Dec also get to meet DNA relatives they never knew existed.

TUESDAY

***Gold Digger* – BBC1, 9pm**

NEW series. Drama, starring Julia Ormond as a wealthy middle-aged woman who begins a relationship with a man nearly 20 years younger than she is just as her divorce is finalised.

When he is introduced to her three adult children, suspicions are raised about his motivations.

The action cuts between the early days of their relationship and the wedding day, which seems fated to end in disaster.

With Ben Barnes and Jemima Rooper.

***First Dates* – C4, 10pm**

A 71-YEAR-OLD widow goes on her first date in 51 years with a retired CEO who enjoys life in the fast lane, and a woman with a liking for James Corden is shocked to discover her date looks just like him.

A man caring for his sick mother goes on his first ever blind date with a law student. Both are looking for something long-term, but his inexperience threatens to trip him up.

Finally, a single mother is less than impressed by a market trader in his best suit – until she discovers he enjoys working out at the gym.

DON'T MISS THIS!!!

***UEFA Euro 2020 Live: England v Montenegro* – Thursday, ITV, 7pm (kick-off 7.45pm)**

Charley: I love to get hot 'n' steamy

SUNDAY Sport SEXY BACK END!

NOW the weather's taken a turn and the clocks have gone back, sexy Charley Atwell is spending more time keeping all warm and snug... in the SAUNA!

The 29-year-old babe, from Romford, Essex, said: "There's nothing like working up a good sweat.

"And the best thing about the sauna is you don't have to run about or exercise.

"And it's so good for your skin!"

The 34E stunna added: "You can get up to all sorts in the steam – have a little fiddle with your wotsits... if you know what I mean?"

Whew! We're getting a bit steamed up ourselves, Charley!

SAM: MY SECRET SUSSIES FANTASY

STIFF-NIPPLED saucepot Sam Huggins LOVES wearing sussies.

And the sexy undies item play a big part in the Brighton beauty's fave fantasy, which involves her being a secretary seducing her boss.

By WENDY THOMAS
news@sundaysport.co.uk

Sam said: "One evening we are both working late in the office... I'd drop my pencil on the floor and bend right over to pick it up, revealing a naughty glimpse of my stockings and suspenders.

"He'd make a play for me, I'd be unable to resist his advances – because I'd secretly fancied him for ages anyway – and he takes me over the desk.

"I'm attracted to dominant, go-getter types who know what they want and aren't afraid to go get it!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M 19 and until a few weeks ago worked for a firm of accountants. I'd started when I left school and rose to be a kind of office manager.

My boss was a divorcée in her 30s and I got on very well with her. One day she got a bit pissed and told me she fancied me and would love to take me to bed, adding that if I agreed she'd make it worth my while "in my pay packet".

She took me to her place and we drank wine before she put on a red-hot porn DVD. Needless to say, in no time she'd taken out my dick. As she sucked me off she tickled my balls before guiding me into her slippery love-tunnel and we shagged to a massive climax.

The next day, she called me into her office and told me I was being sacked for "bad time-keeping". Have I got a tribunal case?

YOU win some, you'll lose that one.

Dear Sam,

MY boss at work is in her mid-40s and has a great figure. A couple of weeks ago she invited everyone in the office out for a drink after we had secured a lucrative new contract. I bought her a wine and she told me that she really loves younger men – I'm 25 – and asked if I would be up for a shag.

I was, and invited her back to my flat. After a quick snog I was rock-hard and invited her to suck me off. She's expert at giving head and after five minutes of sucking I exploded all over her face.

I then licked out her bald fanny before screwing her. I've even shagged her a few times at work.

The problem is that she wants me to move in with her, but I'm not too keen, because I'll lose my bird and possibly my job. What do I do?

FH, Slough

Sam says...
TELL her you don't want to get too serious with anyone just yet, but don't blow a good thing.

ELECTION DEBATE LEADS TO HOT SEX!

Hmm... lots of election news in the papers today. I imagine all the major players will be polling furiously from now till December 12...

AGONY IS BROUGHT TO YOU IN ASSOCIATION

SUNDAY Sport SEXY BACK END!

My lesbian girlfriend and I turned two hot babes into a fanny-munching frenzy!

Dear Sam,

I'M a lesbian and my girlfriend and I share a house with two hot girls.

We all get on well together, although we engage in plenty of good-natured banter, as all teenagers do.

One night we came home to find our "straight" housemates asleep on our double-bed in just their bras and knickers. It looked like they'd experimented with lesbianism but had chickened out.

Stripped

So we decided that they should finally experience girl-on-girl contact, so woke them, stripped them naked and tied their wrists behind them with scarves.

They pretended to beg to be set free but they were clearly turned on as we tickled their bums.

Their bodies squirmed against each other and there were sighs and moans of pleasure.

My lover got out her sex toys and started to ease a dildo up the wet snatch of one of the girls.

She muttered, "Harder" and the other girl was eager for attention. Then to our surprise they started kissing and, when we untied them, fondling each other.

We stripped naked ourselves and offered our shaved fannies. The girls wasted no time in sticking their fingers in and then getting down with their tongues.

We got in such a position that while they were giving us a good licking, we could get dildos up both their gaping gorges and finger their bumholes.

Any suggestions on how we can persuade them to get naked with us again?

AK, Lancs

Sam says...

TRY getting them in the mood by putting on a lesbo floorshow.

Dear Sam,

MY husband has been going out almost every night for several weeks. When I ask him where he's off to he says the pub.

Naturally, I became suspicious and eventually I couldn't resist going through his pockets one night when he was asleep. You will understand my horror when I checked his mobile phone and found a series of pics of a good-looking naked woman sucking his penis.

I tackled him first thing in the morning and admitted the woman was a prostitute and he'd been paying her £50 a session because I didn't give him any. Do I kick him out?

RC, Essex

Sam says...

IT'S time YOU started sucking his penis, love.

Sam says...

HER ballot box looks like it's filling up!

KEY MEN: Mane and Salah

REDS CAN GO CLEAR IN PREM

ONLY one place to start and that is at Anfield where champions Manchester City meet top-of-the-table Liverpool in the late kick-off. City could cut Liverpool's lead to just three points with a win while the hosts can extend their lead to nine points.

City dominated the corresponding game last season but had to settle for a goalless draw as a result of Leroy Sane's late penalty miss. I wonder which of the two managers — if either — would take a draw?

The layers are finding it hard to split the teams with Liverpool and City 8/5 at BetVictor and the draw at 13/5. The early move this week has been for the Reds with City – to my surprise – outright favourites earlier in the week.

Liverpool have found a way to win of late – and that is the stuff of champions – and have come from behind to win against Spurs. Sadio Mane has, arguably, been in the shadow of Mo Salah for periods of his Anfield career, but that is no longer the case.

The Senegalese striker is 7/4 at BetVictor to find the back of the net at some stage during the 90 minutes and 7/1 at BetVictor in the betting to be named PFA player of the season behind only City's Kevin de Bruyne (11/4) and Raheem Sterling at 7/2. One of the sub-plots in what promises to be another wonderful Anfield occasion.

City must dominate possession but I believe Liverpool's pace, energy and press will be too much for Pep Guardiola's side. I was fortunate to discuss the game with former Liverpool and England striker Michael Owen and he was adamant Liverpool were a better team than 12 months ago – but wasn't convinced the same could be said of City.

Last-gasp

The corresponding game did finish 0-0 last season but there were 18 goals between the sides in their four games and we will see goals today.

Liverpool to win and both teams to score is 16/5 at BetVictor and that is the recommendation.

Jurgen Klopp's side began the weekend 8/11 to win that elusive first Premier League title with City 11/10 for their three-peat. City will be back to favourites if they win, while the Reds will be into circa 1/2 if they take maximum points. This is Liverpool's time.

Wolves have drawn seven of their 11 league games but their last-gasp win against Slovan Bratislava means they are on the Europa knockouts.

Wolves host Aston Villa (2pm kick-off) looking for revenge on Dean Smith's side who knocked them out of the League Cup. Nuno Espirito Santo fielded a young side but that will not be the case at Molineux.

Villa have lost their last couple of league games but those were against City and Liverpool and it would be no surprise if Wolves had to share the points again although the tip must be both teams to score at 7/10. Jack Grealish has missed the last couple of games through injury but he should be fit to return.

TOP VILLANS: Dean Smith and Jack Grealish

Jack will be all right for England

SMITH BACKS STAR GREALISH TO WIN CAPS

GARETH Southgate needs to get Jack Grealish in his squad says Villa boss Dean Smith.

By ANDY MILLOM

He thinks the England gaffer has his wires crossing thinking the Brummies star is a winger.

Smith insists that he can play in a range of attacking positions and would be a major asset for the Three Lions.

Grealish has been left out of the latest England squad with Southgate saying he has enough wide men like Raheem Sterling, Jadon Sancho and Callum Hudson-Odoi.

Smith is puzzled by those comments because he rarely plays his star man on the wing.

He added: "Gareth has said he can play as a wide player or an attacking midfielder, as he has done with Aston Villa, last season and this season, so there are a number of different positions he can play.

"He will react as he has done before. We all saw what happened when he missed football for three months last season, coming back with a bang, with the volley against Derby, and an assist with his first ball forward.

"Your job is about trying to prove people wrong, and he will feel he is playing at a good enough level, so he will be a little bit frustrated, but all he can do is work hard for Aston Villa and make other people take notice."

Smith believes it's only a matter of time before Grealish becomes a regular part of the England set-up.

Control

He turned his back on Ireland to qualify for the Three Lions and that decision will eventually pay off.

The Villa boss added: "Jack works hard every day, and he's at the top of his game.

"He can't control whether he gets picked or not. Football is a game of opinions, and at the moment the opinion of the coaching staff of England is not to choose him.

"Listen, I'd love the lad to be called up because in my opinion he deserves it, but it's the opinion of other people at the moment that counts.

"His job now is to keep performing to the level he is, and to keep pushing himself."

Smith has been linked with a move for Rangers striker Alfredo Morelos in January.

He admits to liking the player but is staying tight-lipped otherwise.

Smith said: "I saw his goal the other night and it was a good finish.

|But he's a player who is contracted to another football club and we aren't a club that talks about them."

REDS BEST I HAVE FACED

PEP Guardiola says Liverpool are the toughest opponents he has ever faced in a title race.

The Manchester City boss has also led Barcelona and Bayern Munich to glory but believes last season's Premier League was the hardest he has been through.

Guardiola is locked in another battle with Jurgen Klopp for top spot in the table — and it looks set to go all the way again.

The Spaniard said: "I said last season when we won the Premier League, that they are the best contender I've faced in my career.

By MARK NAYLOR

"That's why to win this league was one of the biggest achievements we've achieved as a club, as a person, and it remains the same.

"So probably right now they are the strongest team in the world.

"Playing at Anfield, what does it mean for them, for all the rivals, but it's 90 minutes, maybe 94, and we're going to try to follow the plan with thought in this game.

"You have seen the team. What is the weak points of Liverpool?

"It's difficult to find it, but we have an idea with the way we are going to play, we are going to try. They do absolutely everything well."

Guardiola has nothing but praise for Klopp who he believes has formed one of the world's best teams since he took over at Anfield four years ago.

The City boss added: "To see his team, you realise he did in Dortmund and he's done it here.

"So it's easy to analyse how huge was the impact when he took over a team that wasn't a real contender.

"The history, yes, but not a real contender, to win the Premier League or be on top, and he did it. In three or four years he built something marvellous to watch."

City and Liverpool square up at Anfield on Sunday with the Reds hoping to go nine points clear at the top.

The visitors are without goalie Ederson and Guardiola has had to defend his No2 Claudio Bravo who struggled when he was first choice.

Pep is adamant he has faith in his stopper. He said: "We have another top keeper.

Fired

"We won the Carabao Cup thanks to Claudio, so he's an exceptional keeper. He's won a lot of games with his national team, Chile. So, no doubts.

"Why should I not be confident with my players on my team? Why would I have doubts because a player who plays regularly does not play?

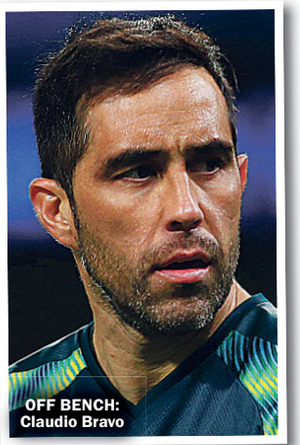
"I would not want to be a player who was doubted by his manager.

"I've seen him in training and I know how fired and how good he is — we are not going to lose because of Claudio.

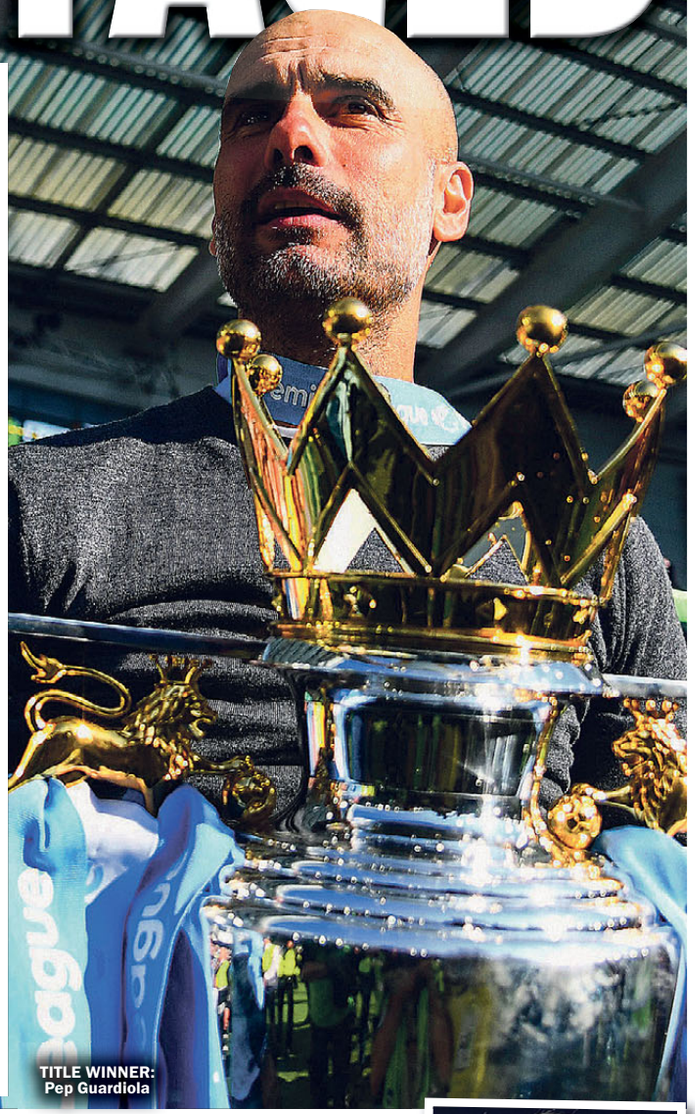
"He's played at an incredible level, he won the Copa America, other cup. Respect that guy, he is an incredible, top, top keeper."

And Pep admits he enjoys having a real rival in Klopp — but it's not like Wenger and Fergie.

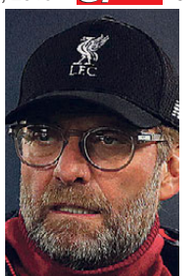
He added: "I don't think we can compare anyone with the rivalry of Sir Alex and Wenger, because they are absolute legends at their clubs."



OFF BENCH: Claudio Bravo



TITLE WINNER: Pep Guardiola



RIVAL: Klopp

City now biggest rivals for Liverpool

JURGEN Klopp says the rivalry between Liverpool and Manchester City shows how well his team is doing.

The Reds pushed Pep Guardiola's men all the way in the title race last season and are the early front-runners this time.

Klopp has noticed the rivalry growing during his time at Anfield.

The German said: "I think it's getting bigger and bigger.

"I am here for four years, what can I say about traditions?

"We live in the now and obviously Man City is a pretty good football team and that means of course there is a rivalry.

"Thank God there is a rivalry as that means we are in a not bad place as well.

"In the last nearly two years it feels like each game we played was the most decisive of the season. There is not one where anyone said 'You can lose that'.

"Nothing changes, you cannot make games bigger than they are already. It is already a very important game and you cannot make it more important."

Brave

The two meet at Anfield and Klopp admits it will be a real test for his men.

And he doesn't want them in a negative mindset because a draw would be a better result for the Merseysiders.

He added: "You cannot be only offensive but if you are not brave against Man City you have no chance, not even for a point.

"You have to create, your positioning must be nearly perfect, protection must be perfect, and have different ideas.

"You have to try to adapt to the things your opponent is doing usually and make sure they cannot do that and that can lead to other things."

Klopp doesn't want a repeat of last season when the City team bus was damaged on the way into the stadium.

The boss wants fans to save their noise for inside the ground.

He added: "Go in the stadium, nothing to do outside, have your food, go in, wait for the team, we will come, let's make a pretty special game of it.

"In football, you never know what you get for it. But we know what we have to do for it. Let's make sure that we show that."

LAMPS LIT UP BY YOUNGSTERS

FRANK Lampard admits he's proud to have five young players in the England squad.

The Chelsea boss has given the kids a chance while the club is serving its transfer ban.

And it's paying off with good performances from Ross Barkley, Fikayo Tomori, Callum Hudson-Odoi, Tammy Abraham and Mason Mount earning them a place with the Three Lions.

Lamps said: "Those young boys, I'm pleased that their form and their dedication has got them those call-ups.

By PAUL THOMAS

"I know they're proud, I'm proud as a manager to have them in the England squad.

"I'm proud of all of the players who go away with international teams. But to see young lads getting their first steps into the team is obviously great."

Chelsea have made a good start to life under Lampard despite their transfer issues. They have also had to cope without Eden Hazard who left for Real Madrid in the summer.

Lamps is trying to keep a lid on expectations at Stamford Bridge.

He has just won manager of the month for October which underlines how well has done since taking over from Maurizio Sarri.

He said: "It doesn't confirm to me that I am doing a good job. Albeit it is a nice award to get on an individual basis.

"It certainly is an award that relates to much more than that, about what the club is doing and the people working behind the scenes. I appreciate it and I receive it not just for myself.

"On the curse, I have heard of it.

"I know it and I am relatively superstitious. I was always as a player and I carry it into my management.

"So hopefully the players will go out and prove the curse wrong now because we want to carry on our momentum."

Newcastle ready to rescue Xhaka

NEWCASTLE are set to offer Granit Xhaka an escape route from Arsenal.

It's all gone sour for the midfielder who has fallen out with the Emirates fans big time.

He gestured to them as he was booed off which led boss Unai Emery to take away the captain's armband.

By JOHN ANTHONY

It looks certain that the Swiss international will move when the window opens in January — but it could be to a Premier League side rather than Germany as first thought.

Newcastle boss Steve Bruce would jump at the chance of bringing him to St James's Park for what could be a cut-price fee.

And he did little to calm speculation when asked about the link.

Bruce said: "Granit Xhaka? He is a very good player."

The sticking point could be his £130,000 per week wages but the Toon have confirmed that there is money to spend in January.

Bruce could sort out a loan deal with an option to buy for around £15m.
